Instructions

The Odyssey is a story of returning home, but Odysseus takes MANY side quests on his way back to Ithaca after the Trojan War. These side quests often bring disaster, death, and mayhem Odysseus and his crew. For this assignment, you are going to take a stance as to whether you think it is Odysseus' fault or the gods for making the journey so long.

- Your response should be 3-4 complete sentences, using information from the text to support your answer.
- Respond to two of your peers' post saying whether you agree or disagree with their response. Your responses should be at least 2-3 sentences in length.
- THIS POST IS DUE BY TOMORROW, SO USE YOUR TIME WISELY
